## REPORT OF COMMITTEE ON FINANCE.

---

The books of the city treasurer have been examined, and compared with those of the city clerk, by the committee on finance, and all the accounts are found to be correctly kept, with proper vouchers on file for all payments. All the bills allowed by the committee on accounts and claims have been paid, and no claims against the city which the city would be liable to pay are known to remain outstanding, with the exception of those mentioned under the heading of unfunded debts; and the balance in the hands of the treasurer is eighteen thousand four hundred eighty-four dollars and seventeen cents (\$18,484.17).
