MUNICIPAL REGULATIONS

FOR PAYMENT OF BILLS AGAINST THE CITY.

All persons furnishing materials or service for the city, or aid to the city poor, should be particular to take the name of the person ordering such service, material, or aid, and should *know* that the person is duly authorized to contract said liability.

The city will not be holden for merchandise sold or delivered on city poor account, except on the written order of the Overseer of the Poor, and for no longer time than until his successor shall have been appointed and qualified.

Duplicate copies will be required of all bills payable by the city, furnished on county poor account.

All bills against the city must be approved by the person authorizing the charge; and unless this is done, no action can be had upon the bill by the Committee on Accounts and Claims, and no order will be given for its payment.

Bills so certified should be left with the city clerk on or before the second day of the month.

If approved by the Committee on Accounts and Claims, they will be ready for payment on Thursday following the regular monthly meeting of the City Government.

The regular monthly meetings of the City Government occur on the second Monday of each month.

SECTION 1. The condition under which every cow is kept whose milk is sold or exposed for sale in the City of Concord shall be made known to the Board of Health, if said board shall deem it necessary.

SECT. 2. No milk shall be sold or offered for sale unless the cow is free from disease dangerous to the public health.

SECT. 3. No milk kept for sale shall be stored, strained, cooled or mixed in any room used in whole or in part for sleeping purposes or for the stabling of horses or cattle or other animals or for the storage of manure, offal or other offensive matter.

SECT. 4. All rooms in which milk is stored, cooled, strained or mixed shall be kept constantly clean. Proper apparatus shall be provided for washing or sterilizing all utensils used in handling milk and such utensils shall be washed with boiling water or sterilized by steam after being so used.

SECT. 5. No urinal, water-closet or privy shall be located in the rooms mentioned in the preceding sections or so situated as to pollute the atmosphere of said rooms.

SECT. 6. All milk produced for the purpose of sale shall be strained and cooled as soon as it is drawn from the cow.

SECT. 7. Milk kept for sale shall at all times register on test a temperature not higher than 50 degrees Fahrenheit, and shall be stored in a covered cooler, box or refrigerator.

SECT. 8. All cans, bottles or other vessels of any sort used in the sale and handling of milk shall be cleaned or sterilized before they are used again for the same purpose.

SECT. 9. No person shall use a milk vessel as a container for any substance other than milk.

SECT. 10. Every person engaged in the production, storage, transportation, sale, delivery or distribution of milk, immediately on the occurrence of any case or cases of infectious disease, either in himself or in his family or amongst his employees or their immediate associates, or within the building or premises where milk is stored, sold or distributed, shall notify the Health Officer.

SECT. 11. No person having an infectious disease, or having recently been in contact with a person having an infectious disease shall milk or handle cows, measures or other vessels used for milk intended for sale or in any way take part or assist in handling milk intended for sale until all danger of communicating such disease to other persons shall have passed.

SECT. 12. No vessels which have been handled by persons suffering from such an infectious disease shall be used to hold or convey milk until they have been thoroughly sterilized.

SECT. 13. No bottle, can or receptacle used for the reception or storage of milk shall be removed from a private house, apartment or tenement wherein a person has an infectious disease.

SECT. 14. No person, by himself, or by his servant or agent or as the servant or agent of any other person, firm or corporation

shall bring into the City of Concord for the purposes of sale, exchange or delivery or sell, exchange or deliver any milk, skimmed milk or cream which contains more than 500,000 bacteria per cubic centimeter, or which has a temperature higher than fifty degrees Fahrenheit.

SECT. 15. The Board of Health shall keep a record of all inspections made under or by virtue of this ordinance and of the results of such inspections; and shall make a report each month to the City Council showing all inspections made, and the results of such inspections, during the preceding month.

SECT. 16. Whoever violates the above regulations is liable to a fine not exceeding ten (\$10) dollars.

SECT. 17. All ordinances or parts of ordinances inconsistent with this ordinance are hereby repealed and this ordinance shall take effect January 1, 1908.

Passed Oct. 14, 1907.

AN ORDINANCE IN AMENDMENT OF CHAPTER 30 OF THE REVISED ORDINANCES RELATING TO INSPECTOR OF ELECTRIC WIRES.

Be it ordained by the City Council of the City of Concord as follows:

SECTION 1. That Chapter 30 of the Revised Ordinances is hereby amended by striking out all of section one of said chapter and inserting in place thereof the following:

SECTION 1. The Chief of the Fire Department shall be inspector of electric wires. He shall, before entering upon the duties of the office, take the oath prescribed by law for the faithful performance of his duties as such officer.

SECT. 2. That said Chapter 30 of the Revised Ordinances is hereby further amended by striking out all of section three of said chapter and inserting in place thereof the following:

SECT. 3. The salary of the Chief of the Fire Department shall cover all services rendered by him under this ordinance. At any time when the owners of electrical wires, poles or fixtures shall neglect to repair and keep them in a safe condition, to the satisfaction of the board of mayor and aldermen, the board, upon four days' notice to said owners or any agent, and a hearing, may order the removal forthwith of said wires, poles and fixtures; and any permit previously obtained will thereby be revoked. The inspector of electric wires and fixtures shall, each month, render to the city clerk a statement of the time spent inspecting wires, poles and fixtures belonging to private owners, and such owners shall pay the city at the rate of forty cents per hour for such

inspection. Such owners shall also pay to the city the expense of removing wires, poles and fixtures which are not kept in repair and in safe condition. Nothing in this section shall be construed as exempting the owners of said wires from frequent and careful inspection of the same by their own agents; but the inspection by a municipal officer is in addition to such inspections, and intended as another safeguard to protect the public from injury and damage.

SECT. 3. This ordinance shall take effect upon its passage.

Passed Jan. 13, 1908.
