ANNUAL SCHOOL MEETING WARRANT.

STATE OF NEW HAMPSHIRE.

*To the Inhabitants of Union School District in Concord
qualified to vote in district affairs:*

You are hereby notified to meet at the Auditorium, on Prince Street in said district on the twenty-eighth day of March, 1907, at 7.30 o'clock in the evening, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To hear and act upon the reports of the Board of Education for the past year.
4. To choose three members of the Board of Education to hold office for three years to fill vacancies arising from the expiration of the term of office of George M. Kimball, John Vannevar and Mrs. Alice M. Nims, and to fill any other vacancies that may occur in said board.
5. To choose one or more auditors and all other necessary officers for the ensuing year.
6. To see what sum of money the district will raise and appropriate for the payment of the debts of the district.
7. To see what sum of money the district will raise and appropriate for the payment of commission, for the sale of bonds issued for the new High school and West Concord school buildings and for interest paid by the building committees appointed to erect the said buildings, in excess of the amount realized from accrued interest on said bonds, at time of their sale.
8. To see what sum of money the district will raise and appropriate for the support of schools for the ensuing year,

including industrial education, military drill and calisthenics.

9. To see what sum of money the district will raise and appropriate for occasional and extraordinary repairs of school buildings during the ensuing year.

10. To see if the district will authorize the sale and conveyance of the Union Street schoolhouse and lot to the city of Concord for ward purposes of Ward Four at such sum as may be determined upon by the Board of Education.

11. To transact any other business that may legally come before said meeting.

Given under our hands this 13th day of March, 1907.

GEORGE M. KIMBALL,
JOHN VANNEVAR,
ALICE M. NIMS,
JOHN M. MITCHELL,
EDWARD N. PEARSON,
ELLA H. J. HILL,
GEORGE H. MOSES,
SUSAN C. BANCROFT,
CHARLES R. CORNING,

Board of Education.

I certify that on the 13th day of March, 1907, I posted a copy of the written warrant, attested by the Board of Education of said district at the place of meeting within named, and a like attested copy at the police station in the City of Concord, N. H., being a public place in said district.

JOSEPH T. WALKER.

Personally appeared the said Joseph T. Walker and made oath that the above certificate by him signed is true.

Before me,

EDWARD N. PEARSON,
Justice of the Peace.

A true copy of the warrant, return of service and certificate of the oath. Attest:

LOUIS C. MERRILL,
Clerk.

CONCORD, N. H., March 28, 1907.

Agreeable to the foregoing warrant a meeting of the legal voters in Union School District was held at the Auditorium in the City of Concord, N. H., on March 28, 1907, at 7.30 o'clock in the evening.

The moderator being absent, the meeting was called to order by the clerk, who called for votes for moderator of the meeting.

Whole number cast	13
Necessary for a choice	7
John B. Abbott had	13

—and was declared elected moderator and was duly sworn by Louis C. Merrill, justice of the peace.

1. The moderator then read the warrant and called for votes under Article I for moderator.

John B. Abbott having one vote, all that was cast, he was declared elected moderator for the ensuing year, and took the oath of office before Louis C. Merrill, justice of the peace.

2. The moderator called for votes for clerk, and when all had voted who wished, the ballot was declared closed, and Louis C. Merrill having all the votes cast, was declared unanimously elected, and was sworn by John M. Mitchell, a justice of the peace.

3. Charles R. Corning moved the printed reports of the Board of Education be accepted. Motion seconded, and it was so voted.

4. W. A. J. Giles moved that the meeting proceed to the election of three members of the Board of Education, and that the moderator appoint three tellers to assist in sorting and counting the votes. Motion seconded, and so voted.

Moderator appointed Arthur E. Dole, Elwin L. Page and Arthur F. Sturtevant as tellers.

John M. Mitchell moved that the three names be voted for on one ticket, and that the polls be open until 8.30 o'clock. Motion seconded and adopted.

The moderator declared the polls open and called for votes.

John M. Mitchell moved to consider the other articles of the warrant while the voting was going on, and it was so voted.

When the hour of 8.30 o'clock was reached the moderator declared the ballot closed and declared the ballot as follows:

Whole number of votes cast	.	.	.	696
Necessary for a choice	.	.	.	349
Frank E. Palmer	.	.	.	99
John A. Blackwood	.	.	.	109
George M. Kimball	.	.	.	590
John Vannevar	.	.	.	592
Alice M. Nims	.	.	.	685

—and that George M. Kimball, John Vannevar and Alice M. Nims were elected as members of the Board of Education for three years.

5. W. A. J. Giles moved that the clerk cast a ballot for John P. George and Henry H. Metcalf for auditors for the ensuing year, and it was so voted. The clerk having done as instructed, the moderator declared John P. George and Henry H. Metcalf elected auditors.

6. Mrs. Ella H. J. Hill offered the following resolution and moved its adoption:

Resolved, That there be raised by tax upon polls and ratable estates of Union School District the sum of sixteen thousand thirty-two dollars and fifty cents (\$16,032.50), of which sum eight thousand dollars (\$8,000.00) shall be appropriated for the payment of bonds maturing April 1, 1907, and eight thousand and thirty-two dollars and fifty

cents (\$8,032.50) for payment of the interest on its funded debt accruing during the year.

Motion seconded. A vote was taken and resolution declared adopted.

7. John M. Mitchell offered the following resolution :

Resolved, That there be raised by tax upon polls and ratable estates of Union School District the sum of one thousand nine hundred dollars, of which sum one thousand and three hundred dollars shall be appropriated to pay the commission for the sale of the bonds issued for the erection of the new High school and West Concord school buildings, and six hundred dollars be appropriated to pay the interest paid by the building committee in excess of the interest realized from the sale of said bonds.

Mr. Mitchell moved the adoption of the resolution, a vote was taken and motion declared adopted.

8. Charles R. Corning offered the following resolution and moved its adoption :

Resolved, That there shall be raised, and is hereby ordered to be raised, by tax on polls and ratable estates within Union School District, for the support of schools for the ensuing year, such a sum as in addition to the sum assigned to the district by the City of Concord out of the appropriation for schools will amount to the sum of sixty-seven thousand eight hundred seventy-five dollars and nine cents (\$67,875.09); eight hundred dollars (\$800.00) of which is appropriated and to be expended for the purpose of maintaining the night school in said Union School District during the winter months of 1907 and 1908.

A vote was taken and the moderator declared the resolution adopted.

9. DeWitt C. Howe offered the following resolution and moved its adoption :

Resolved, That the sum of two thousand five hundred dollars (\$2,500.00) be raised by taxation upon the polls and ratable estates of Union School District and appropriated for occasional and extraordinary repairs of school

buildings, and that the expenditure of such shall be under direction of the Board of Education.

A vote was taken and resolution declared adopted.

10. John P. George offered the following resolution and moved its adoption, seconded by W. A. J. Giles.

Resolved, That the Board of Education is hereby authorized to sell and convey the Union Street schoolhouse and lot to the City of Concord for ward purposes of Ward Four at such price as said board may agree upon with the city.

A vote was taken and the moderator declared the resolution as adopted.

11. C. J. French offered the following resolution and moved its adoption :

Resolved, That all contract work, where the cost for such work is one hundred dollars or more, shall be subject to open bidding therefor and shall be let to the lowest responsible bidder, such bidder or bidders to be residents of Union School District.

H. H. Metcalf moved to amend by striking out the words, "such bidder or bidders to be residents of Union School District."

Amendment was seconded, a vote taken and amendment was declared adopted.

A vote was then taken on the resolution as amended, and declared by the moderator as adopted.

12. C. J. French offered the following resolution and moved its adoption :

Resolved, That the annual report of the Board of Education of Union School District be printed and distributed, for the benefit of the legal voters of the district, at least two weeks prior to the holding of the annual meeting of the district.

A vote was taken and resolution declared adopted.

On motion voted to adjourn.

A true record. Attest :

LOUIS C. MERRILL.

Clerk.

REPORT
OF THE
BUILDING COMMITTEE

of Union School District for the erection and equipment of
the new High School, West Concord School and Manual
Training School buildings.

CHARLES R. CORNING, *Chairman.*
HENRY H. METCALF, *Secretary.*
CHARLES R. WALKER, *Treasurer.*
GEORGE M. KIMBALL.
JOHN M. MITCHELL.
EDSON J. HILL.
DEWITT C. HOWE.

Report of Building Committee.

To Union School District:

At a special meeting of the district, holden on June 1, 1905, following the report of a special committee, appointed by the moderator, in accordance with the vote of the district, at its annual meeting on March 30, 1905, it was voted (1) that a new high school building be erected and equipped; (2) that the undersigned be a committee to determine the location thereof, purchase, or acquire by condemnation, for the district, the necessary land, erect and equip a building, employ architects, agents and other necessary assistants, to secure the erection and equipment of such building; (3) the sum of ninety thousand dollars (\$90,000) was appropriated to secure the necessary land, erect and equip the building; (4) that the indebtedness arising from the erection and equipment of such building be funded at a rate of interest not exceeding three and one-half per cent per annum, and (5) that the district request the City of Concord to aid in funding this indebtedness, as provided by law.

At the same meeting a like vote was passed, authorizing the erection and equipment of a new eight-room building at West Concord, appointing the same persons a committee to locate, erect and equip such building, and appropriating the sum of twenty-eight thousand dollars (\$28,000) for this purpose, and authorizing the committee to request the City of Concord to aid in funding the indebtedness arising from the erection and equipment of such building, as provided by law, at a rate not exceeding three and one-half per cent per annum.

The district also at its annual meeting, March 29, 1906, voted to erect and equip a new Manual Training school building, appointed the same persons a committee to locate, erect and equip such building, and the sum of thirty thou-

sand dollars (\$30,000) was appropriated for this purpose; and authority was given to request the aid of the City of Concord, under the law, to fund the debt incurred in the erection and equipment of such Training school building. at a rate not exceeding three and one-half per cent per annum.

At the annual meeting on March 29, 1906, the sum of one thousand dollars (\$1,000) was appropriated for the completion and equipment of the West Concord school building, in addition to the twenty-eight thousand dollars (\$28,000) appropriated by the vote passed on June 1, 1905.

At the annual meeting on March 28, 1907, it was voted to raise the sum of one thousand three hundred dollars (\$1,300) to pay the commission on sale of bonds, issued for the erection and equipment of the new High school and West Concord school buildings, and six hundred dollars (\$600) to pay the interest paid by the committee, in excess of the interest realized in the sale of the bonds.

There is printed, as an appendix to this report, all votes relating to the location, erection and equipment, respectively, of the new High school, West Concord school and Training school buildings, including the appointment and report of the special committee, appointed at the annual meeting March 30, 1905, to ascertain and report upon the wants of the district, with respect to the erection of new or the enlargement of existing school buildings.

There is also printed in the appendix to this report a detailed and itemized statement of the treasurer of your committee, Dr. Charles R. Walker, showing receipts and expenditures, with a certificate of the auditors of the district, certifying the examination and approval of his accounts.

And, too, there is printed in the appendix to this report, copies of the ordinances of the City of Concord, and the contracts of the district, executed by your committee, with respect to the bonded indebtedness created for the erection and equipment of the new High school, West Concord school and Training school buildings,—the indebtedness incurred

in the erection and equipment of the new High school and West Concord school buildings, being provided for by the bond issue of one hundred nineteen thousand dollars (\$119,000), in accordance with the ordinance passed May 14, 1906, and the contract dated July 2, 1906, and the indebtedness incurred in the erection and equipment of the new Manual Training school building being provided for by the bond issue of thirty thousand dollars (\$30,000) in accordance with the ordinance passed May 13, 1907, and the contract dated July 1, 1907.

In providing for these several new structures, for the necessary increased accommodation of the district, after securing locations that would best accommodate the school population of the district, your committee sought to provide locations which would diminish as little as possible the taxable property of the district, and in this respect we have met with quite satisfactory results.

The new High school building lot is located upon the westerly side of North Spring Street and consists of (1) the old Training school lot, (2) the house lot of George A. Brown, (3) the homestead of Mary A. Craigue, and (4) a small piece of land purchased of W. J. Fernald.

The sum of three thousand five hundred dollars (\$3,500) was paid for the George A. Brown property, the sum of three thousand dollars (\$3,000) was paid for the property of Mary A. Craigue—she reserving the right to reside in the house during her life—and the sum of two hundred and seventy-five dollars (\$275) was paid for the land purchased of W. J. Fernald.

The house upon the Brown lot was moved to another location and thus continues taxable property.

The West Concord school is located westerly of the former location of the West Concord school building, upon a lot of land purchased of the City of Concord, in exchange for the old West Concord schoolhouse and lot. This exchange of lots was ratified by the district at the annual meeting of March 29, 1906.

The new Manual Training school is located upon the easterly side of Rumford Street, westerly of and adjoining the High school lot.

This lot consists of the property purchased of C. C. Currier for four thousand dollars (\$4,000), and that purchased of Mrs. Gertrude L. Wilson for five thousand seven hundred and fifty dollars (\$5,750).

The house upon the Wilson lot was sold for five hundred dollars (\$500), and has been removed to another lot on the same street, and retains its taxable quality.

The house upon the Currier lot was sold for one hundred dollars (\$100), and the old manual training building was sold for the sum of one hundred dollars (\$100).

It will thus be seen that the amount of property actually removed from the taxable list is, fortunately, but comparatively small.

The architects employed to prepare plans and superintend the construction of the High and Manual Training school buildings were Hill & James of Boston. The contractors for the construction of the High school building were the Hutchinson Building Company, who were the lowest bidders for the work.

The J. H. Mendell Company of Manchester were the competitive bidders, who secured the contract for the construction of the Manual Training school building.

Randlett & Griffin of Concord were the architects and contractors for the construction of the West Concord school building, and D. W. Sullivan was employed, by the committee, to superintend the construction of the work as it progressed.

The entire cost of the construction and equipment of the High school building, including cost of lot and grading thereof, and interest paid on account of funds borrowed, during construction, was ninety-three thousand three hundred and eight dollars and ninety-five cents (\$93,308.95), and the amount received for appropriation and interest and commission specially voted by the city, ninety-three

thousand three hundred fifty-one dollars and nineteen cents (\$83,351.19), leaving a balance of forty-two dollars and twenty-four cents (\$42.24), as shown by the treasurer's account, in the appendix to this report.

The entire cost of the Manual Training school building, including cost of lot and grading thereof, was thirty thousand six hundred twenty-three dollars and fifteen cents (\$30,623.15), and the amount received, including appropriation and money received on sale of the Currier and Wilson houses, and old Manual Training school building, was thirty thousand seven hundred dollars (\$30,700), leaving a balance of seventy-six dollars and eighty-five cents (\$76.85), as shown by the treasurer's report in the appendix.

The entire cost of the West Concord school building, including cost of grading and interest paid on money during construction, was twenty-nine thousand and ten dollars (\$29,010), as shown in the treasurer's account in the appendix.

Notwithstanding the depressed condition of the bond market, at the time your committee was compelled to realize money to meet the expenditures incident to the erection and equipment of these various school buildings, we were fortunate in making sale of the bonds of the two issues at par, paying only one per cent commission, for the sale of seventy-five thousand dollars (\$75,000), and one and one-fourth per cent commission for the sale of 44,000, of the first issue, and disposing of the second issue, the thirty thousand dollars (\$30,000) for the Manual Training building at par without expense.

The bonds of the second issue, the thirty thousand dollars (\$30,000), were purchased by the several banks of this city at par.

Your committee, therefore, succeeded in this advantageous disposition of the bonds of these two issues, although they bear only the rate of three and one-half per cent per annum. Other municipalities in New England

having credit similar to that of Concord were at the same time unable to sell their three and one-half per cent bonds, in several instances, without a five per cent discount.

The several buildings, respectively, as completed, with their equipment, were turned over to the Board of Education for the district by your committee, and the same, we are confident, will reasonably supply the wants of the district, and the work assigned to your committee thus having been completed, we hereby respectfully submit the same for your consideration and approval.

February 24, 1908.

CHARLES R. CORNING.
GEORGE M. KIMBALL.
JOHN M. MITCHELL.
HENRY H. METCALF.

Respectfully submitted,

CHARLES R. WALKER,

Treasurer.

Concord, N. H., Feb. 7, 1908.

CONCORD, N. H., February 7, 1908.

We have this day examined the accounts of Charles R. Walker, treasurer of the building committee of the Union School District in the matters of the High school, West Concord school and Manual Training school buildings, and find the same correctly cast and accompanied by the proper vouchers.

JOHN P. GEORGE,

HENRY H. METCALF,

Auditors.

ARTICLE 9 OF ANNUAL SCHOOL MEETING WARRANT OF 1905,
RELATING TO SCHOOL ACCOMMODATIONS.

To see if the district will authorize the board, or a special committee, or the special committee in conjunction with the board, to ascertain the wants of the district with respect to new schoolhouses or enlarging existing houses, and report thereon at a special meeting to be called not later than June first, that the district may provide for such additional accommodation as may be necessary.

VOTE IN ACCORDANCE WITH THE FOREGOING ARTICLE, TAKEN
AT THE ANNUAL MEETING MARCH 30, 1905.

“*Resolved*, That a special committee of seven be appointed by the moderator, three of whom to be selected from the Board of Education, who shall ascertain the wants of the district, with respect to the erection of new school buildings, or the enlargement of existing buildings, and report the result of their investigation at a special meeting of the district, to be held not later than June 1; such committee being hereby authorized and directed to present, with their report, recommendations and general plans for such new buildings and changes in existing buildings as they may find necessary for the school accommodations of the district, including an estimate of the cost of such new buildings, or alterations of existing ones. That said committee report to the district through the newspapers at least two days before said meeting.”

WARRANT FOR SPECIAL MEETING, JUNE 1, 1905.

STATE OF NEW HAMPSHIRE.

*To the Inhabitants of Union School District, qualified to
vote in district affairs:*

You are hereby notified to meet at the Auditorium in said district on Thursday, the first day of June, 1905, at 7.30 o'clock in the evening, to act upon the following subjects:

1. To hear and act upon the report of the special committee authorized by a vote of the district, at its annual meeting on March 30, 1905, to ascertain and report the wants of the district with respect to additional school accommodations.

2. To see if the district will vote to erect and equip a new high school building, appoint a committee with authority to decide upon its location and authorize such committee to purchase or acquire by condemnation such land or such land additional to the land already owned by the

district, as may be necessary and suitable, for a lot for such new high school building, as the same may be located by the committee; and raise and appropriate money and authorize a contract with the City of Concord for its credit as contemplated by Chapter 261 of the Session Laws of 1889, and take such other or further action as may be necessary to provide for the location and erection of a new high school building.

3. To see if the district will vote to erect and equip a new school building at West Concord, appoint a committee with authority to decide upon its location, and authorize such committee to purchase or acquire by condemnation, or the exchange of the existing lot and building, land necessary and suitable for a lot for such new school building in accordance with the location decided upon by the committee, and raise and appropriate money and authorize a contract with the City of Concord for its credit as contemplated by Chapter 261 of the Session Laws of 1889, and take such other or further action as may be necessary to provide for the location and erection of such new building.

4. To transact any other business that may legally come before said meeting.

CONCORD, N. H., June 1, 1905.

Agreeable to the foregoing warrant, a meeting of the legal voters in Union School District was held at the Auditorium in the City of Concord, N. H., on June 1, 1905, at 7.30 o'clock in the evening, and was called to order by the moderator, Samuel C. Eastman, who read the warrant.

ARTICLE 1. The special committee submitted the report attached hereto and made a part of the records, the report being read by the moderator.

To Union School District:

The special committee, appointed under the following resolution passed by Union School District, having per-

formed the duties required of it herewith submits its report:

RESOLUTION.

“*Resolved*, That a special committee of seven be appointed by the moderator, three of whom to be selected from the Board of Education, who shall ascertain the wants of the district, with respect to the erection of new school buildings, or the enlargement of existing buildings, and report the result of their investigation at a special meeting of the district, to be held not later than June 1; such committee being hereby authorized and directed to present, with their report, recommendations and general plans for such new buildings, and changes in existing buildings as they may find necessary for the school accommodations of the district, including an estimate of the cost of such new buildings, or alterations of existing ones. That said committee report to the district through the newspapers at least two days before said meeting.”

REPORT OF SPECIAL COMMITTEE ON THE WANTS OF THE
DISTRICT; ACCEPTANCE THEREOF AND VOTE APPROVING
RECOMMENDATIONS.

In investigating and considering the matter assigned to us, we have recognized the fact that ideal school facilities cannot be provided at an expense which would be warranted by the general condition of the district; and we have therefore eliminated all cases of inadequate school accommodations which are not such as to imperatively demand present attention.

The school accommodations at the Walker school and the Tahanto school, particularly the former, are inadequate, but we think the changes and additional buildings hereinafter recommended, together with a parochial school at the north end, which our investigation leads us to consider a probability of the near future, will rectify those difficulties.

High School.—We find that inadequate school accommodation exists in the High school. The remedies for this inadequacy, suggested to us in two public hearings which we have given, as well as through the press, are (1) refusing to take tuition pupils; (2) dividing the school by putting a part of it into the Chandler building; (3) building one or more additions to the present High school building; (4) building a new High school building and using the present building for other school purposes.

After considering the several remedies suggested we have concluded that (1) would not afford adequate relief; that (2) is impracticable for several reasons, one being that the Chandler building will soon (probably this fall) be needed for a schoolhouse; that (3) is inadvisable because it will cost about \$60,000 to build and furnish the additions required and when that is done two wants will remain unsatisfied, namely, a suitable assembly hall and class rooms of suitable size. It should also be stated as a reason against the adoption of (3) that it will not relieve the congestion in other schools—a result which we hope to attain by the plan hereinafter suggested.

Having been constrained to dismiss remedies 1, 2 and 3, we were brought to a consideration of 4,—the building of a new High school building, the present building to be used for other school purposes—and have found that the present High school building can be advantageously used for a central ninth grade school, thereby relieving the congestion at several schools, especially the Walker.

We find that a new High school building, in all respects adequate to accommodate five hundred (500) pupils, can be erected on the lot hereinafter specified, and furnished, at a total expense not exceeding \$90,000; and we recommend the erection of such a building, the same to be built upon the general plan of the new Nashua and Dover High schools, said plans to be modified and changed to suit our requirements.

A consideration of the available sites for such a building

has led us to the conclusion that the North Spring Street lot, belonging to the district, where the Manual Training school now stands, together with two additional lots, is the most desirable site, everything considered, for the new High school, the erection of which we recommend. We therefore recommend that the district acquire the necessary land on North Spring Street and erect said new High school building on said North Spring Street lot.

West Concord School.—We find that inadequate school accommodations exist at West Concord, and we recommend an exchange of the present lot and building with the water department (Concord Water Works) for a lot of suitable size fronting on Quaker Street and running northerly to Hutchins Street, out of the Hutchins property, so called, in accordance with authority given water commissioners by the city, and the erection on said new lot of an eight-room brick school building, at a cost, with furniture, not to exceed \$28,000, to be built according to the general plan of the new Bethel, Vt., school, but enlarged so as to give class rooms suitable for forty-five or fifty pupils, and otherwise modified to meet our requirements.

We transmit herewith general plans of the school buildings, the plans of which we have herein referred to, namely, the new Nashua High school, the new Dover High school and the Bethel, Vt., school.

Respectfully submitted,

CHARLES R. CORNING,
Chairman, for the Committee.

Mr. Arthur Sturtevant moved to accept the report of the special committee, and it was so voted.

Mr. Edward C. Niles offered the following resolution and moved its adoption:

Voted, That the recommendations of the special committee authorized by the district at its annual meeting on March 30, 1905, to ascertain and report the wants of the district with respect to additional school accommodations, be and are hereby approved as to the erection of a new High

school building and a new eight-room building at West Concord.

Motion seconded, a vote taken and declared by the moderator unanimously adopted.

VOTE AUTHORIZING THE ERECTION OF A HIGH SCHOOL BUILDING.

ART. 2. Mr. William J. Ahern offered the following resolution :

Voted, (1) That a new High school building be erected and equipped. (2) That Charles R. Corning, George M. Kimball, John M. Mitchell, Henry H. Metcalf, Edson J. Hill, DeWitt C. Howe and Charles R. Walker be and hereby are appointed a committee with authority to decide upon the location of said new High school building, and said committee is hereby authorized to purchase, or acquire by condemnation, in the name and on behalf of the district, such land or such land additional to that already owned by the district, as may be necessary and suitable for a lot for such new High school building, to be erected upon the location selected and decided upon by said committee; and said committee is authorized to do all other acts and things in the name and on behalf of the district necessary to secure the location of such lot and purchase and acquire it. (3) That said Charles R. Corning, George M. Kimball, John M. Mitchell, Henry H. Metcalf, Edson J. Hill, DeWitt C. Howe and Charles R. Walker be and hereby are appointed a building committee to erect and furnish said High school building, to employ architects, agents and such other assistants as they may require, and to do in the name and on behalf of the Union School District such other acts as may be necessary to carry this vote into effect. (4) That the sum of ninety thousand dollars (\$90,000) be and the same is hereby appropriated to purchase or acquire the land necessary for the location of said High school building. (5) That the indebtedness of the district arising from the construction and furnishing of said new High school building be funded at a rate of interest not exceeding 3½ per

cent per annum, and that a sufficient sum of money be assessed upon the polls and ratable estates within Union School district on the 1st day of April in each year hereafter to meet the payments of the interest and the principal of said indebtedness at the date, or dates, of the maturity of the principal and interest, as the same may be fixed, as hereinafter provided; and that the money obtained by said assessments be and hereby is appropriated to make said payments. (6) That the district request the City of Concord to aid in funding the indebtedness of the district arising from the construction and furnishing of the said High school building, as the city is authorized to do by Chapter 261 of the Session Laws of 1889, entitled "An act to authorize the City of Concord to borrow money in aid of its school districts," provided said city will borrow the money necessary for the purposes set forth in this vote and will allow the district to have the use of the money so borrowed; and further, that if this request is complied with, the district will seasonably pay the city sufficient sums of money to enable the city to meet the payments of the principal and interest upon this indebtedness so created, as the same may fall due, and all incidental expenses, and will apply the money to be raised, as herein provided, to the payments aforesaid; and said building committee is hereby further authorized to make said request of the city, and determine with the city the date or dates when the principal of said indebtedness and interest thereon shall mature, and do all other acts and things necessary to carry this vote into effect.

Mr. William J. Ahern moved the adoption of the resolution, motion seconded, vote taken, and the moderator declared the resolution adopted.

VOTE AUTHORIZING THE ERECTION OF WEST CONCORD SCHOOL BUILDING.

ART. 3. Mr. Joseph E. Shepard offered the following resolution which was read by the moderator:

Voted (1), That a new eight-room building be erected and equipped at West Concord; (2) That Charles R. Corning, George M. Kimball, John M. Mitchell, Henry H. Metcalf, Edson J. Hill, DeWitt C. Howe, and Charles R. Walker be and are hereby appointed a committee, with authority to decide upon the location of said new school building, and said committee is hereby authorized to purchase, or acquire by condemnation, in the name and on behalf of the district, such land as may be necessary and suitable for a lot for such new school building to be erected upon the location selected and decided upon by said committee, and said committee is authorized to do all other acts and things in the name and on behalf of the district necessary to secure the location of such lot and purchase or acquire it; (3) That said Charles R. Corning, George M. Kimball, John M. Mitchell, Henry H. Metcalf, Edson J. Hill, DeWitt C. Howe, and Charles R. Walker, be and are hereby appointed a building committee to erect and furnish said new school building at West Concord, to employ architects, agents and such other assistants as they may require and to do in the name and on behalf of the Union School District such other acts as may be necessary to carry this vote into effect; (4) That the sum of twenty-eight thousand dollars (\$28,000) be and the same is hereby appropriated to purchase or acquire the land necessary for the location of said new school building and erect and equip said new school building; (5) That the indebtedness of the district arising from the construction and furnishing of said new school building at West Concord be funded at a rate of interest not exceeding three and one-half per cent per annum, and that a sufficient sum of money be assessed upon the polls and estates of Union School District on the first day of April in each year hereafter to meet the payments of the interest of said indebtedness at the date or dates of the maturity of the principal and interest, as the same may be fixed, as hereinafter provided; and that the money obtained by said assessments be and hereby is ap-

propriated to make said payments; (6) That the district request the City of Concord to aid in funding the indebtedness of the district arising from the construction and furnishing of said new school building at West Concord as the city is authorized to do by Chapter 261 of the Session Laws of 1889, entitled "An Act to authorize the City of Concord to borrow money in aid of its school districts," provided said city will borrow the money necessary for the purposes set forth in this vote and will allow the district to have the use of the money so borrowed; and further, that if this request is complied with, the district will seasonably pay the city sufficient sums of money to enable the city to meet the payments of the principal and interest upon this indebtedness, so created, as the same may fall due, and all incidental expenses, and will apply the money to be raised as herein provided to the payments aforesaid; and said building committee is hereby further authorized to make said request of the city and determine with the city the date or dates when the principal of said indebtedness and the interest thereon shall mature, and do all other acts and things necessary to carry this vote into effect.

Mr. Shepard moved the adoption of the resolution, motion seconded, a vote taken and declared adopted.

ART. 4. Mr. Henry H. Metcalf moved to adjourn, and it was so voted.

A true record, attest:

LOUIS C. MERRILL, *Clerk.*

ARTICLES 9, 10 AND 11 OF WARRANT FOR ANNUAL MEETING MARCH 29, 1906, IN RELATION TO THE ERECTION OF A MANUAL TRAINING SCHOOL; THE CONVEYANCE OF SCHOOLHOUSE LOT AT WEST CONCORD; APPROPRIATING MONEY FOR COMPLETION OF WEST CONCORD BUILDING.

9. To see if the district will vote to erect and equip a new Manual Training school building, appoint a committee with authority to decide upon its location, and author-

ize such committee to purchase or acquire by condemnation, such land as may be necessary and suitable for a lot for such new Manual Training school building, as the same may be located by the committee; and raise and appropriate money and authorize a contract with the City of Concord for its credit as contemplated by Chapter 261 of the Session Laws of 1889, and take such other, or further, action as may be necessary to provide for the location and erection of a new Manual Training school building.

10. To see if the district will ratify and confirm the sale and conveyance to the City of Concord, of the old schoolhouse lot and building at West Concord, made by the special building committee, appointed to erect the new West Concord school building; said sale and conveyance having been made in payment for the lot purchased of said city by said committee for the new West Concord school building.

11. To see what sum of money the district will raise and appropriate for the completion of the erection and furnishing of the West Concord school building.

VOTE TAKEN UNDER ARTICLES 9, 10 AND 11 IN WARRANT AT
ANNUAL MEETING MARCH 29, 1906.

ART. 9. Mr. George M. Kimball offered the following resolution which was read by the moderator:

Voted, (1) That a new Manual Training school building be erected and equipped; (2) That Charles R. Corning, George M. Kimball, John M. Mitchell, Henry H. Metcalf, Edson J. Hill, DeWitt C. Howe and Charles R. Walker be, and hereby are, appointed a committee with authority to decide upon a location for said new Manual Training school building, and said committee is hereby authorized to purchase or acquire by condemnation, in the name of, and on behalf of, the Union School District, such land as may be necessary and suitable for a lot for such new Manual Training school building to be erected upon, as selected and

decided upon by said committee, and said committee is authorized to do all other acts and things in the name of, and on behalf of, the Union School District necessary to secure the location of such lot and to purchase or acquire it; (3) That Charles R. Corning, George M. Kimball, John M. Mitchell, Henry H. Metcalf, Edson J. Hill, DeWitt C. Howe and Charles R. Walker be, and hereby are, appointed a building committee to erect and furnish said new Manual Training school building and to employ architects, agents and such other assistants as they may require, and to do in the name and on behalf of the Union School District such other acts as may be necessary to carry this vote into effect; (4) That the sum of \$30,000 be, and the same is, hereby appropriated to purchase or acquire the land necessary for the location of said new Manual Training school building and to erect and furnish said new Manual Training school building; (5) That the indebtedness of the Union School District arising from the purchase of land, construction and furnishing of said new Manual Training school building be funded at a rate of interest not exceeding three and one-half per cent per annum, that a sufficient sum of money be assessed upon the polls and estates of Union School District on the first day of April in each year hereafter to meet the payments of the interest and principal of the said indebtedness at the date or dates of the maturity of the principal and interest as the same may be fixed, as hereinafter provided, and that the money obtained by said assessments be, and hereby is, appropriated to make said payments; (6) That the Union School District requests the City of Concord to aid in funding the indebtedness of the Union School District arising from the purchase of land, construction and furnishing of said new Manual Training school building, as the City of Concord is authorized to do by Chapter 261 of the Session Laws of 1889, entitled "An act to authorize the City of Concord to borrow money in aid of its school districts" provided said City of Concord will borrow the money necessary for

the purposes set forth in this vote, and will allow the Union School District to have the use of the money so borrowed, and further that if this request is complied with, the Union School District will seasonably pay the City of Concord sufficient sums of money to enable the City of Concord to meet the payments of principal and interest upon the indebtedness so created as the same falls due, and all incidental expenses, and will apply the money to be raised as herein provided, to the payments aforesaid; and said building committee is hereby further authorized to make said request of the City of Concord and determine with the City of Concord the date or dates when the principal and interest thereon shall mature, and do all other acts and things necessary to carry this vote into effect.

Mr. Kimball moved a yea and nay vote on each paragraph and it was so voted, and the vote was then taken on each paragraph with the following result as stated by the moderator:

1. The ayes appear to have it, the ayes do have it and the paragraph is adopted.
2. The ayes have it and the paragraph is adopted.
3. The ayes have it and the paragraph is adopted.
4. The ayes appear to have it, the ayes do have it and the paragraph is adopted.
5. The ayes have it and the paragraph is adopted.
6. The ayes have it and the paragraph is adopted.

ART. 10. Mr. Edward N. Pearson offered the following resolution and moved its adoption:

Voted, That the sale and conveyance to the City of Concord, of the old schoolhouse lot and building, at West Concord, made by the special committee appointed to erect the new West Concord school building, said sale and conveyance having been made in payment for the lot purchased of said city by said committee for the new West Concord school building, be ratified and confirmed.
