

problems connected with junior high schools. Is it any wonder that this city is winning rapid recognition for the excellency of its junior high school program?

During the present winter a course of twenty lectures in Educational Psychology has been given to the Concord teachers under the auspices of Boston and Harvard Universities. For those teachers who are unable to attend summer school this course is a valuable one. Sixty-eight of our teachers are enrolled and the majority of them are working for credit. We recommend that this type of work be continued during the next winter.

EDUCATIONAL AIMS AND OBJECTIVES.

Our Concord schools should have definite aims and objectives. Perhaps the best statement of aims yet formulated is that given by the committee appointed by the National Educational Association of Teachers. It is as follows: "The committee regards the following as the main objectives of education: (1) Health, (2) command of fundamental processes, (3) worthy home-membership, (4) vocation, (5) citizenship, (6) worthy use of leisure, (7) ethical character."

The Baltimore Survey Committee states that, due to the great diversion of public funds for education, there must be forthcoming dividends in terms of more intelligent and zealous participation in promoting the community welfare.

(1) There should result an improvement in individual health and community sanitation.

(2) There should be a more general control and a higher standard of command of the fundamental processes.

(3) The home should become a more satisfactory social institution through the contribution to its cultural activity of all its members.

(4) All citizens should be helped to find a vocation for which they are suited and in which they may find the joy of productive effort.

(5) A more critically responsive public opinion, a united

and determined general effort for a better community, and a greater willingness to contribute to the general welfare.

(6) The ever-increasing leisure time of great numbers of the population calls for the setting of higher standards of employment of leisure if it is to be an asset rather than a liability to the community.

(7) And finally, the supreme outcome of the community investment in secondary education must be the higher ethical character of the maturing boys and girls that they may perceive clearly their relations to their fellows and to the institutions with which they deal.

Is it too much to ask that future educational policies be determined by these objectives?

In conclusion I wish to express my appreciation of the co-operation of the teachers and of the helpful advice of the superintendent.

Respectfully submitted,

CHARLES W. WALKER,
Assistant Superintendent of Schools.

ANNUAL SCHOOL MEETING WARRANT.

STATE OF NEW HAMPSHIRE.

To the Inhabitants of Union School District in Concord, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Auditorium on Prince Street, in said district, on the ninth day of April, 1924, at 7.30 o'clock in the evening, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To hear and act upon the report of the Board of Education for the past year.
4. To choose three members of the Board of Education to hold office for three years, to fill the vacancies arising from the expiration of the term of office of W. Stanley Emery, Osma C. Morrill, and Charles Duncan.
5. To choose one or more auditors for the ensuing year.
6. To see what sum of money the district will raise and appropriate for the payment of the debts of the district.
7. To see what sum of money the district will raise and appropriate for the support of schools for the ensuing year.
8. To see if the District will authorize the School Board to secure from the Legislature at its next session an enabling act, empowering the District to issue necessary notes or bonds for the purpose of purchasing sites and erecting school buildings thereon, over and above the indebtedness now allowed by law.
9. To see if the District will raise and appropriate the sum of Eight Thousand Five Hundred dollars (\$8,500) to provide housing accommodations for the Domestic Arts classes of the High School.
10. To transact any other business that may legally come before said meeting.

Given under our hands this 20th day of March, 1924.

HARRY F. LAKE,
W. STANLEY EMERY,
OSMA C. MORRILL,
JOSEPH S. OTIS,
CARL H. FOSTER,

DOROTHY B. JACKSON,
CHARLES DUNCAN,
BENNETT BATCHELDER,
ELISABETH R. ELKINS,

Board of Education of Union School District.

RECORD OF ANNUAL MEETING, 1924.

In accordance with the foregoing warrant a meeting of the legal voters of Union School District was held at the City Auditorium in Concord, N. H. on Wednesday, April 9, 1924, at 7.30 p. m.

The moderator called the meeting to order and read the warrant.

ARTICLE 1. On motion of Harry F. Lake, duly seconded, the clerk was instructed to cast one ballot for Arthur P. Morrill as moderator of the District for the ensuing year, and he was declared unanimously elected and took the oath prescribed by law before Ray E. Burkett, Justice of the Peace.

ARTICLE 2. On motion of Earl F. Newton, duly seconded, the moderator was instructed to cast one ballot for Ray E. Burkett for clerk of the district for the ensuing year, and he was declared unanimously elected and took the oath prescribed by law before the moderator.

ARTICLE 3. On motion of Mr. John S. B. Davie, it was

Voted: That the report of the Board of Education, having been printed in the annual school report, the reading of the same be dispensed with, and that the report as printed be accepted and placed on file.

ARTICLE 4. On motion of Henry H. Metcalf it was unanimously

Voted: That the meeting proceed to vote for three members of the Board of Education to serve for three years, that the polls be kept open for the reception of ballots until 8.15 o'clock, and that the moderator appoint three tellers to sort and count the ballots.

The moderator appointed as tellers Dr. Edward S. Cummings, Mrs. Margaret C. Martin, and Mr. Walter F. Timlin.

At 8.15 o'clock the moderator declared the polls closed and announced the result of the ballot as follows:

Total number of ballots cast		410
Necessary for a choice		206
John B. Abbott	had	1
Amasa Tracy	"	1
W. Jameson	"	1
Dr. E. S. Sullivan	"	1
Charles Piper	"	1
Bertha Woodward	"	1
Fred Colton	"	1
May Streeter	"	1
Rev. Raymond Huse	"	1
H. H. Metcalf	"	1
Mrs. Sarah Willis	"	1

John Murray	had .	5
Mrs. Grace P. Amsden	“	6
James M. Langley	“	36
Lillian Yeaton	“	39
W. Stanley Emery	“	364
Osma C. Morrill	“	364
Carlton R. Metcalf	“	390

and W. Stanley Emery, Osma C. Morrill and Carlton R. Metcalf were declared duly elected members of the Board of Education for a term of three years.

ARTICLE 5. On motion of Charles G. Remick, duly seconded, it was

Voted: That Henry H. Metcalf and John P. George be elected auditors of the district for the ensuing year.

ARTICLE 6. On motion of Joseph S. Otis, duly seconded, it was

Voted: That there be raised and is hereby ordered to be raised on the polls and ratable estates within Union School District the sum of eighteen thousand six hundred sixty-five dollars (\$18,665), of which sum six thousand six hundred sixty-five dollars (\$6,665) shall be appropriated for the payment of the interest on its bonded indebtedness accruing during the year, and twelve thousand dollars (\$12,000) for the payment of the bonds of the district maturing respectively on May 1, 1924, July 1, 1924 and October 1, 1924.

ARTICLE 7. On motion of Carl H. Foster, duly seconded, it was

Voted: That there be raised and is hereby ordered to be raised on the polls and ratable estates within Union School District for the support of the schools for the ensuing year such a sum as in addition to the sum required by law will amount to the sum of two hundred eighty-three thousand eight hundred eight and 37/100 dollars (\$283,808.37).

ARTICLE 8. On motion of Burns P. Hodgman, duly seconded, it was, after discussion,

Voted: That the Board of Education be authorized by Union School District to secure from the Legislature of 1925 an enabling act, empowering the District to issue necessary notes or bonds, not exceeding three hundred thousand dollars (\$300,000) above the present debt limit, for the purposes of purchasing a site or sites and erecting a school building or school buildings thereon, over and above the indebtedness now allowed by law.

ARTICLE 9. On motion of Dorothy B. Jackson, duly seconded, it was

Voted: That there be raised and is hereby ordered to be raised on the polls and ratable estates within Union School District, and appropriated for providing housing accommodations for the Domestic Arts Classes of the High School, the sum of eight thousand five hundred dollars (\$8,500).

ARTICLE 10. On motion of John P. George, duly seconded, it was
Voted: That there be published with each annual report a full state-
ment of the financial affairs of the district, including the bonded in-
debtedness.

On motion of Mr. Foster the meeting adjourned.

A true record. Attest:

RAY E. BURKETT,
Clerk.

**REPORT OF THE BOARD OF WATER
COMMISSIONERS.**

CONCORD, N. H., March 30, 1925.

To the Mayor and Board of Aldermen of the City of Concord:

We hereby submit the annual report of the superintendent of the Water Works for the year ending December 31, 1924.

As usual the superintendent's report is in full detail, furnishing complete information of the condition of the Water Works at that date.

By the inspection of his report the public can get a full understanding of the excellent condition of the water supply and fine protection of the city.

The receipts are sufficient to meet the interest due annually on the bonds issued and to pay the amount of bonds coming due annually and to make all necessary extensions and repairs.

During the year the Board lost by death Melvin H. Towle, and Benjamin H. Orr was chosen to fill the vacancy.

Respectfully submitted,

NATHANIEL E. MARTIN,
HARRY H. DUDLEY,
FRANK P. QUIMBY,
BURNS P. HODGMAN,
JOHN B. ABBOTT,
GEORGE T. KENNEY,
CARLOS H. FOSTER,
BENJAMIN H. ORR,
WILLIS H. FLINT, *ex-officio*.
Board of Water Commissioners.

REPORT OF THE SUPERINTENDENT.

EXTENSIONS AND IMPROVEMENTS.

Distribution pipes laid in 1924:

10-inch:

Pleasant Street from New Upper School, St. Paul's School, to Old Saw Mill Road, 613 feet.

8-inch:

Old Saw Mill Road from Pleasant Street to Dunbarton Road, 495 feet replacing 4-inch.

Dunbarton Road from Old Saw Mill Road to St. Paul's School Farm House, 1,226 feet replacing 4-inch.

6-inch:

West Main Street, Penacook, extended south from Pine Street, 1,371 feet.

Borough Road, west from West Main Street, 442 feet.

Merrimack Street, Penacook, 139 feet replacing 6-inch cement-lined.

Kimball Street from Pillsbury to Allison Street, 403 feet; 63 feet of 1-inch discontinued.

Badger Street, extended south, 110 feet.

4-inch:

Jackson Street from Church to Highland Street, 266 feet; 175 feet of 1-inch discontinued.

2-inch:

East Borough Road, east from Penacook Road, 316 feet.

Highland Road, West Concord, west from North State Street, 250 feet replacing 1-inch.

Ferry Street from No. 30 to No. 36, 124 feet, replacing 1-inch.

Summit Street, south from Centre Street, 72 feet.

Auburn Street, connecting old 3-inch pipe with 14-inch main, 38 feet.

1 $\frac{1}{4}$ -inch: 85 feet.

1-inch: 167 feet.

On hydrant branches: 133 feet of 6-inch: 39 feet of 4-inch discontinued.

Total length of main and distribution pipes now in use, 389,944 feet or 73.85 miles.

Fourteen gates were added during the year; 3 were discontinued; total number now in use, 1,093.

Seven new hydrants have been set as follows:

Borough Road, northwest corner of West Main Street, Penacook.

West Main Street, west side at No. 68.

West Main Street, west side at No. 76.

Pleasant Street, St. Paul's School, southeast corner of Old Saw Mill Road.

Dunbarton Road, south side at St. Paul's School Tenement No. 6.

Dunbarton Road, north side, east of Coit House.

Dunbarton Road, north side, west of Coit House.

The hydrant on Dunbarton Road at St. Paul's School Farm was changed from 4-inch to 6-inch and the high service hydrant at Rumford Arms, North Main Street, from one steamer and two nozzles to four hose nozzles.

Total number of hydrants now in use, 482; private, 96.

Seventy-four services have been laid consisting of 1,430 feet of $\frac{3}{4}$ -inch, 421 feet of 1-inch and 74 feet of 2-inch pipe. Twenty services were discontinued, nine permanently and eleven replaced by new ones.

Total number now in use, 4,092; length of service pipes, 97,252 feet or 18.41 miles.

One 6-inch high service connection for sprinkler service was made for Triesman Bros. and Diversi Co., and one 2-inch fire service for Coit House.

One hundred and forty services have been relaid and curb valves placed on 90 old services.

Ninety-nine new meters have been set and 5 have been removed. Total now in use, 2,937.

The fire service to Coit House and St. Paul's School Farm has been greatly improved by larger mains laid according to your agreement with St. Paul's School, that corporation bearing one-half the expense as the original pipes were of capacity sufficient for ordinary use.

More services were relaid than usual on account of the resurfacing of several streets by the department of public works. We are now discarding original hydrants in service since 1872 whenever they need repairs for others of more modern construction.

The buildings and lands of the department are in excellent condition and the wooden bridge across the outlet in the rear of the Garrison School has been replaced by a permanent structure of field stone which adds to the attractiveness of the surroundings.

We have replaced the Concord truck bought in 1916 and the Buick roadster bought in 1920 with machines of the same makes.

In accordance with your vote to install a second electric pump, a DeLaval pump has been purchased, same capacity as one now in use, with General Electric 100 H. P. motor, same style and type as present unit and the contracts have been placed with Concord Electric Co. for additional switchboard and Warren Foundry and Pipe Co. for necessary fittings for installation.

It is planned to put in the foundation very soon and the pump will be ready for use in the early spring.

Respectfully submitted,

PERCY R. SANDERS,
Superintendent.

REPORT OF ENGINEER AT PUMPING STATION.

PUMPING STATION, CONCORD WATER WORKS.

P. R. Sanders, Superintendent:

SIR: I would report that the pumping machinery at the pumping station, including boilers, is in good working condition.

Both steam pumps have been turned over every two weeks by high service pressure to see that they were in good working order.

SUMMARY OF STATISTICS.

FOR THE YEAR ENDING DECEMBER 31, 1924.

CONCORD WATER WORKS.

CITY OF CONCORD, COUNTY OF MERRIMACK, STATE OF NEW
HAMPSHIRE.

GENERAL STATISTICS.

Population by census of 1920—22,167.

Date of construction—1872.

By whom owned—City of Concord.

Source of supply—Penacook Lake.

Mode of supply—Gravity, also pumping to reservoir for
high service and fire protection.

PUMPING.

Builders of pumping machinery—Worthington Pump and
Machinery Corporation.

1 triple expansion horizontal engine, capacity, 2,000,000
gallons per 24 hours, 1893.

1 triple expansion horizontal engine, capacity, 2,000,000
gallons per 24 hours, 1904.

1 Worthington 8", type "BS", slow speed, horizontal split
casing, volute, centrifugal pump, capacity 3,500,000
gallons per 24 hours, 1919.

Motor, G. E., 100 H. P., A. C.

ELECTRIC PUMP.

1. Description of power:
 - a. Alternating, 3 phase, 60 cycles, 2,200 volts, 1,800 R. P. M.
 - b. Price per K. W. H., $\$0.01\frac{1}{3}$, 8 p. m. to 6 a. m.; maximum, \$1,800 per year, 300,000,000 gallons; \$6.00 per 1,000,000 gallons, over 300,000,000.
2. K. W. H. used for year, 166,570.
3. Total pumpage, by Venturi meter, 331,064,000 gallons.
4. Average static head against which pump works, 90 feet.
5. Average dynamic head against which pump works, 117.5 feet.
6. Gallons pumped per K. W. H., 1,987.5.
7. K. W. H. used per 1,000,000 gallons pumped, 503.
8. Efficiency electric unit.

$$\frac{331,064,000 \text{ (gallons pumped)} \times 8.34 \text{ (lbs.)} \times 117.5 \text{ (dynamic head)}}{166,570 \text{ (K. W. H.)} \times 33,000 \times 60 \times 1.34 \times} = 73.3\%$$
9. Total pumping for year, steam and electric pumps, 331,064,000 gallons.
10. Cost of total pumping figured on pumping station expenses—\$4,004.08.
11. Per million gallons pumped—\$12,093.
12. Per million gallons raised one foot (dynamic)—\$0.101.

DISTRIBUTION.

MAINS.

1. Kind of pipe—cast iron and cement-lined.
2. Sizes—from two-inch to twenty-four-inch.
3. Extended—6,250 feet during year.
4. Relaid—feet during year.
5. Discontinued—2,511 feet during year.
6. Total now in use—73.85 miles.
7. Number of leaks per mile for year—
8. Length of pipes two inches and less diameter—3.59 miles.

9. Number of hydrants added during year—public, 7.
10. Number of hydrants now in use—public, 482; private, 96.
11. Number of stop gates added during year—11.
12. Number of stop gates now in use—1,093.
13. Number of stop gates smaller than four-inch—
14. Number of blow-off gates—81.
15. Range of pressure on mains at center of city—88 pounds high service and 48 pounds low service.

SERVICES.

16. Kind of pipe—cement-lined.
17. Sizes—three-fourths-inch to ten-inch.
18. Extended—1925 feet.
19. Discontinued—404 feet.
20. Total now in use—97,252 feet.
21. Number of service taps added during year—54.
22. Number now in use—4,092.
23. Average length of service—23.76.
24. Average cost of service for the year—
25. Number of meters added during year—94.
26. Number now in use—2,937.
27. Percentage of services metered—71.75.
28. Percentage of receipts from metered water—88.11.
29. Number of elevators added—none.
30. Number now in use—9.
31. Number of standpipes for street watering—44.

FINANCIAL.

 R. Value of investment of net income, \$26,076.30.

* City Treasurer's balance, \$32,415.17, includes outstanding orders.

FIRE DEPARTMENT.

REPORT OF CHIEF ENGINEER.

To the Board of Aldermen:

In accordance with the requirements of the city ordinance, I herewith submit for your consideration the report of the Fire Department for the year 1924:

The department responded to 55 bell alarms and 362 still alarms.

In addition one fire entailing loss occurred for which no alarm was given, an account of which will be found in the order of occurrence.

	Bell.	Still.	No Alarm.	Total.
Precinct,	35	284	..	319
Penacook,	7	59	..	66
East Concord,	11	1	..	12
West Concord,	2	18	1	21
	—	—	—	—
	55	362	1	418

This report will be found to contain statements in detail embracing the amount of expenditures, and a complete roll of the department with residence and occupation of each member.

The number of alarms responded to by the department during the year exceeded all previous records and while the loss was heavy, a gratifying decrease becomes apparent, when compared with that sustained during the previous year. Three fires account for \$80,800 of the aggregate loss, namely, January 22, the Bartemus Grain elevator, \$62,000, June 13, the Mt. View buildings, East Concord, \$14,000, and the Potter buildings July 28, East Concord, \$4,800.

The apparatus is in good condition. One pair of wheels

on each of two combination cars, Cataract and Old Fort, were cut down and provided with new cord tires. A new fire alarm truck, a new hand-drawn 50-gal. tank, chemical engine for East Concord, an air compressor and two and one-half dozen service coats were purchased. The chief's car was repainted and two stalls added to the annex garage. All needed repairs on the precinct fire alarm system were attended to and two boxes were added to the Penacook system.

One man was added to the permanent force. The monthly inspection of buildings in the business section of the city is constantly proving by results that no mistake was made in adopting that policy.

I respectfully recommend the purchase of at least 1,000 feet of hose during the coming year. During the month of August I was privileged to attend the convention of the International Association of Fire Engineers, held at Buffalo, N. Y., a report of which I rendered at that time.

I wish again to thank your honorable body for the opportunity afforded me to learn.

Respectfully submitted,

W. C. GREEN,
Chief Engineer.

IN MEMORIAM

APPARATUS AND FORCE.

The apparatus and force of the department is as follows:

Precinct, located at the Central Fire Station, one first-class Amoskeag engine, "Eagle," and one 750-gallon Ahrens-Fox motor-driven combination pumping engine and hose car, attached to Eagle Steam Fire Engine Company (15 men); one second-class Amoskeag engine, "Kearsarge," and auto-combination car, attached to the Kearsarge Steam Fire Engine Company (13 men); one second-class Amoskeag engine, "Governor Hill," relief engine, in charge of an engineer and fireman, one auto-combination car in charge of four permanent men; one motor-driven ladder truck, "City of Concord," attached to Hook and Ladder Company (21 men); one house man at Central Fire Station. There are twelve permanent men at the Central Fire Station, one permanent man at each other fire station within the precinct, one permanent man at Pioneer Station, Penacook, and one permanent man at Cataract Station, West Concord.

The Alert Hose Company (11 men), located on Washington Street, has an auto-combination car, with permanent man.

The Good Will Hose Company (11 men,) located on the corner of Concord and South State Streets, has an auto-combination car, with permanent man.

Veterans' Auxiliary Company (30 men).

One hand engine and three wagons and one ladder truck in reserve.

The "Pioneer" Engine Company, No. 3 (28 men), at Penacook, has a third-class Metropolitan engine, with two hose wagons and one auto-combination car with permanent man.

The Cataract Company (30 men), at West Concord, has a modern hose wagon and auto-combination car with permanent man.

Old Fort (30 men), East Concord, has a 4 1-2-inch cylinder Hunneman hand engine and hand ladder truck, and one hand-drawn chemical engine, 50-gallon, single tank, and one auto-combination car.
