ANNUAL SCHOOL MEETING WARRANT.

STATE OF NEW HAMPSHIRE.

To the Inhabitants of Union School District in Concord, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Auditorium on Prince Street, in said district, on the twenty-sixth day of March, 1925, at 7.30 o'clock in the evening, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To hear and act upon the report of the Board of Education for the past year.
4. To choose three members of the Board of Education, to hold office for three years, to fill the vacancies arising from the expiration of the term of office of Harry F. Lake, Dorothy B. Jackson, and Carl H. Foster.
5. To choose one or more auditors for the ensuing year.
6. To see what sum of money the district will raise and appropriate for the payment of the debts of the district.
7. To see what sum of money the district will raise and appropriate for the support of schools for the ensuing year.
8. To see if the district will vote to acquire land for a high school building, and to erect, originally equip and furnish the same, and to raise and appropriate money therefor, and to appoint a committee with power to select said site and erect and furnish said building, and to authorize a contract with the City of Concord for the use of its credit as contemplated by the laws of the State of New Hampshire, and to take such other or further action as may be necessary in the premises.
9. To see if the district will authorize the Board of Education to improve the transportation service for pupils by the purchase of motor vehicles and other necessary things, raise and appropriate money for carrying the same into effect.
10. To transact any other business that may legally come before said meeting.

Given under our hands this sixth day of March, 1925.

HARRY F. LAKE,	JOSEPH S. OTIS,
DOROTHY B. JACKSON,	CARL H. FOSTER,
CARLETON R. METCALF,	W. STANLEY EMERY,
OSMA C. MORRILL,	BENNETT BATCHELDER,
ELIZABETH R. ELKINS,	

Board of Education of Union School District.

I certify that on the seventh day of March, 1925, I posted a copy of the written warrant, attested by the Board of Education of said district, at the place of meeting within named, and a like attested copy at the Police Station in the city of Concord, N. H., being a public place in said district.

LOUIS J. RUNDLETT.

CONCORD, N. H.,
March 7, 1925.

Then personally appeared before me, on this date, the said Louis J. Rundlett, and made oath that the above certificate by him signed is true.

I. REED GOURLEY,
Justice of the Peace.

RECORD OF ANNUAL MEETING, 1925.

In accordance with the foregoing warrant a meeting of the legal voters of Union School District was held at the City Auditorium in Concord, N. H., on Thursday, March 26, 1925, at 7.30 p.m.

The moderator called the meeting to order and read the warrant.

ARTICLE 1. On motion of Edward C. Niles, duly seconded, the clerk was instructed to cast one ballot for Arthur P. Morrill as moderator of the district for the ensuing year, and he was declared unanimously elected and took the oath prescribed by law before Ray E. Burkett, Justice of the Peace.

ARTICLE 2. On motion of Earl F. Newton, duly seconded, the moderator was instructed to cast one ballot for Ray E. Burkett for clerk of the district for the ensuing year, and he was declared unanimously elected and took the oath prescribed by law before the moderator.

ARTICLE 3. On motion of Alpheus M. Johnson, it was

Voted: That the report of the Board of Education, having been printed in the annual school report, the reading of the same be dispensed with, and the report as printed be accepted and placed on file.

ARTICLE 4. On motion of Albert S. Baker, it was unanimously

Voted: That the meeting proceed to ballot for three members of the Board of Education to serve for three years, and that the moderator appoint three tellers to sort and count the ballots.

The moderator appointed as tellers, Edward C. Niles, Esq., Mr. Leander Parkhurst, and Mrs. Harold H. Blake.

On motion of Harry C. Brunel, it was

Voted: That the polls be kept open for the reception of ballots until 8.30 o'clock.

At 8.30 o'clock the moderator declared the polls closed and announced the result of the ballot as follows:

Total number of ballots cast,		330
Necessary for a choice,		166
Ben Ayers	had	1
C. H. Foster	“	1
Walter Mays	“	1
Henry McFarland	“	1
George W. Morrill	“	1
Professor Worthen	“	1
Grace P. Amsden	“	2
James Langley	“	2
William E. Sleeper	“	2
John G. Winant	“	2
Lillian Yeaton	“	3
John J. Scully	“	4
Gardner Emmons	“	8
Merton C. Knapp	“	248
Harry F. Lake	“	300
Dorothy E. Jackson	“	301

and Merton C. Knapp, Harry F. Lake, and Dorothy B. Jackson were declared duly elected members of the Board of Education for a term of three years.

ARTICLE 5. On motion of Rev. W. Stanley Emery, duly seconded, it was

Voted: That the clerk be instructed to cast one ballot for Clyde M. Davis and William C. Brunel as auditors of the district for the ensuing year, and they were declared duly elected to such office.

ARTICLE 6. On motion of Joseph S. Otis, duly seconded, it was

Voted: That there shall be raised and is hereby ordered to be raised by tax on the polls and ratable estates within Union School District, Supervisory Union No. 8, the sum of twenty-three thousand two hundred ten and no/100 dollars (\$23,210), of which sum seventeen thousand dollars (\$17,000) shall be appropriated for the payment of the bonds maturing May 1, 1925, July 1, 1925, and October 1, 1925, and six thousand two hundred ten dollars (\$6,210) for the payment of the interest on its bonded debt accruing during the year.

ARTICLE 7. On motion of Carl H. Foster, duly seconded, it was

Voted: That there shall be raised and is hereby ordered to be raised by tax on the ratable estates and polls within Union School District,

Supervisory Union No. 8, and appropriated for the support and the general administration of the public schools for the ensuing year, such a sum as, in addition to the amount required by law, will amount to the sum of two hundred seventy-six thousand six hundred thirty-one and 66/100 dollars (\$276,631.66).

ARTICLE 8. On motion of Burns P. Hodgman, duly seconded, it was, after discussion,

Voted: That the district acquire land for a high school building and erect, originally equip and furnish the said building, and for such purpose the sum of \$550,000 is hereby appropriated, and to provide for the same appropriation the Board of Education of the district is hereby authorized and directed pursuant to an act of the New Hampshire legislature approved the 26th day of February, 1925, to enter into an agreement with the city of Concord that the city borrow on the credit of the city for the purpose of acquiring land for a high school building and the erection and original equipment and furnishing of the said building in Union School District the sum of \$550,000, and to issue bonds of the city therefor payable \$15,000 thereof two years from the date of the said bonds, and \$15,000 thereof annually thereafter for three years, and \$14,000 thereof annually thereafter for 35 years, and bearing interest at the rate not to exceed $4\frac{1}{2}$ per cent per annum, payable semi-annually, and there is hereby appointed Willis H. Flint, Mrs. Charles P. Bancroft, Joseph T. Walker, John S. B. Davie, and Omar S. Swenson and the Board of Education of Union School District as a committee to be known as the Joint High School Building Committee, and the said Joint Committee shall have power to select the site, and to erect, originally equip and furnish the said high school building.

ARTICLE 9. On motion of Bennett Batchelder it was voted not to consider or take action on Article 9 of the warrant.

ARTICLE 10. On motion of Dr. C. R. Metcalf, duly seconded, it was

Voted: That the President of Dartmouth College, the principal of Phillips Exeter Academy and the Rector of St. Paul's School be requested to select, jointly, a competent person or competent persons who shall make a thorough survey of the course of study of the Union School District and of the time devoted thereto; and who shall thereafter report to the Board of Education of Union School District any modifications which, in his opinion or in their opinions, would be for the best interest of the pupils of the district.

If a member of the above named committee of three is unable to serve, the remaining members or member shall choose a substitute or substitutes to complete the committee.

Mrs. Evelyn A. Knapp announced that the taxpayers of the south end of the city will request the School Board to insert in the warrant in

the next annual meeting an article under which action may be taken relating to the erection of a new grammar school, to be erected at some location south of Pleasant Street.

On Motion of Harry F. Lake, Esq., the meeting adjourned.

A true record. Attest:

RAY E. BURKETT,
Clerk.

A true copy of the record. Attest:

RAY E. BURKETT,
Clerk.

**REPORT OF THE BOARD OF WATER
COMMISSIONERS.**

CONCORD, N. H., March 1, 1926.

To the Mayor and Board of Aldermen of the City of Concord:

We hereby submit the annual report of the superintendent of the Water Works for the year ending December 31, 1925.

The superintendent's report contains complete information of the condition of the water works for the year 1925.

The board has voted to replace during the present season the remaining portion of the cement pipe line in the city proper with cast-iron pipe. The surplus now on hand with the net receipts covering the present year will be more than sufficient to make this improvement.

Respectfully submitted,

NATHANIEL E. MARTIN,
HARRY H. DUDLEY,
FRANK P. QUIMBY,
BURNS P. HODGMAN,
GEORGE T. KENNEY,
CARLOS H. FOSTER,
BENJAMIN H. ORR,
PATRICK H. CAHILL,
WILLIS H. FLINT, *ex-officio*.

Board of Water Commissioners.

REPORT OF THE SUPERINTENDENT.

To the Board of Water Commissioners:

I herewith present to you the fifty-fourth annual report of the operations of this department, showing the receipts, expenditures and abatements, together with a statement of the extensions and improvements made during the year ending December 31, 1925.

RECEIPTS.

For water from consumers at fixed rates,	\$9,512.06	
For water from consumers at meter rates,	76,086.64	
From delinquents,	143.65	
For water for building purposes,	237.53	
From wood and farm lands,	190.00	
For labor and materials furnished on private fire lines,	368.00	
For pipe and stock sold and labor,	475.75	
For old brass and iron,	211.35	
For repairs of hydrants broken by automobiles,	175.10	
For shutting off and turning on water, non-payment of bill,	2.00	
From state of New Hampshire for laying water main,	906.95	
From state of New Hampshire for water furnished Penacook and Boscawen,	170.00	
For guarantee for extension on Borough Road East and Abbott Road,	100.00	
	\$88,579.03	
Deduct abatements,	177.41	
	\$88,401.62	

EXPENDITURES.

MAINTENANCE ACCOUNT.

General care and maintenance:		
Salaries and labor,	\$12,744.02	
Team account,	98.00	
Automobile account,	1,439.96	
Miscellaneous supplies and re- pairs,	903.38	
Tools,	538.08	
Repairs of buildings,	463.87	
Telephones and lighting,	95.55	
Insurance,	601.77	
Incidentals,	223.21	
	<hr/>	\$17,107.84
Office expenses:		
Salaries and clerical work,	\$2,375.75	
Postage and printing,	473.13	
Miscellaneous supplies,	116.48	
Telephone,	30.77	
	<hr/>	2,996.13
Care and repair of hydrants:		
Stock,	\$613.09

New electric pump,		2,675.50
Total construction account,		\$24,864.84
Total expenditures, 1925,		\$58,413.18

EXTENSIONS AND IMPROVEMENTS.

Distribution pipes laid in 1925:

14-inch:

Penacook Road, at Willow Hollow, 756 feet, replacing 14-inch cement-lined.

8-inch:

Odd Fellows Avenue, high service line, north from Pleasant Street, 144 feet.

6-inch:

Auburn Street, north from Columbus Avenue, 508 feet; 38 feet of 2-inch discontinued.

Wood Avenue, extended west, 606 feet.

Broad Avenue, extended west, 262 feet.

Badger Street, from Allison to Harrison Street, 308 feet; 94 feet of 4-inch discontinued.

Water Street, extended north 320 feet.

Hopkinton Road, extended south, 144 feet.

Ridge Road, extended north, 116 feet.

Engel Street, West Concord, from Fisher to River Street, 312 feet.

River Street, West Concord, extended north, 182 feet.

Roger Avenue, West Concord, east from No. State Street, 218 feet.

Sylvester Street, east from Penacook Road, 258 feet.

Snow Street, east from Penacook Road, 53 feet.

Cross Street, Penacook, south from Spring Street, 461 feet; 420 feet of 1-inch discontinued.

Penacook Road, under cement road, laid for future use, not connected.

For Borough Road East, 25 feet.

For Abbott Road, 25 feet.

For Hobart Street, 25 feet.

4-inch:

Pierce Street, from Thorndike to Laurel Street, 246 feet.

Rollins Street, extended north to Washington Street, 125 feet.

1-inch: 408 feet.

On hydrant branches: 18 feet of 8-inch and 92 feet of 6-inch pipe.

On blow-off: 14 feet of 6-inch pipe.

Total length of main and distribution pipes now in use, 396,709 feet, or 75.13 miles.

Seventeen gates were added during the year; total number now in use, 1,110.

Six new hydrants have been set as follows:

Auburn Street, north of Columbus Avenue.

Badger Street, west side opposite Harrison Street.

Wood Avenue, at No. 26.

River Street, West Concord, southwest corner of Engel Street.

Snow Street, at south corner of Penacook Road.

Cross Street, Penacook, east side at end of street.

Total number of hydrants now in use, 488; private, 96.

Seventy-four services have been laid consisting of 1,610 feet of $\frac{3}{4}$ -inch, 71 feet of 1-inch and 28 feet of $1\frac{1}{4}$ -inch pipe.

Twenty-five services were discontinued of which nineteen were replaced by new ones and six discontinued permanently.

Total number now in use, 4,160; length of service pipes, 98,955 feet, or 18.75 miles. Three services have been shut off during the year for non-payment of water bill.

One 6-inch high service connection for sprinkler service was made for Reed Laundry Co. and one 6-inch fire service for C. M. & A. W. Rolfe.

One hundred and eight services have been relaid and curb valves placed on 58 old services.

Ninety-seven new meters have been set and 7 have been removed; total now in use, 3,027.

All buildings of the Water Works are in good condition and need no extensive repairs. The storehouse which is used jointly by the Water Works and city should be painted this coming season.

During the past ten years, the department has gradually changed from horses to automobiles; this change has made

necessary more room for the automobiles, and this has been accomplished by alterations at the shop which now give an excellent garage. A steam heating system has been installed which will keep the temperature of the garage up to 65° F. and also furnish heat for the shop.

At the pumping station in accordance with your instructions, an additional electric pumping unit has been installed of the same capacity and type as the first machine, complete with switchboard.

The pump was manufactured by the DeLaval Steam Turbine Co. of Trenton, N. J., and is a single stage centrifugal pump with a capacity of 3,600,000 gallons per 24 hours at a dynamic head of 115.2 feet. A General Electric 100 H. P. motor furnishes power to run the pump. The pump when placed in service October 1, 1925, fulfilled all conditions of the guaranty. It is now being run alternately with the No. 1 centrifugal electric pump.

The steam pumps have been run once during the year when the reservoir was cleaned, and their performance at that time showed that they were in good condition and ready for any emergency.

During the past season the state built a section of reinforced concrete road on the highway to Penacook; for the greater part of the way the 14-inch cement-lined main that supplies Penacook was entirely outside this new construction; certain changes, however, brought a section of 756 feet directly under the new road, and your instructions to replace this with 14-inch cast-iron pipe have been carried out. The condition of the wrought-iron cement-lined main laid in 1887 wherever uncovered was found to be good.

In explanation of one item in our receipts, I would say that we laid a cast-iron pipe for the State Highway Department in the changing of the Daniel Webster Highway at Valley of Industry, Boscawen, all expense of which was reimbursed.

The hydrants have been inspected and painted; the color has been changed from black to yellow. This was done not because yellow was thought to be more ornamental, but to

make the hydrants more conspicuous, especially at night. Notwithstanding this added precaution, we have had several hydrants broken by automobiles, but in no case was any damage done by water.

The supply of water at Penacook Lake continues ample for the needs of the city. The highest level of water in the lake was reached May 1, elevation 183.95, or .8 foot below overflow; the lowest point was November 28, elevation 179.60, a drop of 4.35 feet. The level at which the water enters the intake is at elevation 169.55.

The lowest point reached previous to this year for a number of years was March 1, 1914, when the height was at elevation 176.20, or 3.40 feet below the present level. Previous to that a level of elevation 175.50 was reached October 17, 1911.

The average daily consumption of water for the total use of the city by Venturi meter measurement is 2,400,000 gallons per day. The daily average amount of water pumped for high service is 930,000 gallons; on this basis the city is supplied 60 per cent by gravity and 40 per cent by pumping.

The quality of the water continues good; it is neither filtered nor chlorinated. The shores have been cleaned thoroughly and all brush trimmed back for a distance of 12 feet, and we now own about 98 per cent of the entire shore line.

The rules in regard to boating have been strictly enforced, and a willingness is noted on the part of boat owners to cooperate cheerfully in keeping the rules.

In conclusion I wish to thank the members of the Water Board for their continued support and confidence during the year.

Respectfully submitted,

P. R. SANDERS,

Superintendent.

REPORT OF ENGINEER AT PUMPING STATION.

PUMPING STATION, CONCORD WATER WORKS.

P. R. Sanders, Superintendent:

SIR: I would report that the pumping machinery at the pumping station, including boilers, is in good working condition.

Both steam pumps have been turned over every two weeks by high service pressure to see that they were in good working order.

SUMMARY OF STATISTICS.

FOR THE YEAR ENDING DECEMBER 31, 1925.

CONCORD WATER WORKS.

CITY OF CONCORD, COUNTY OF MERRIMACK, STATE OF NEW
HAMPSHIRE.

GENERAL STATISTICS.

Population by census of 1920—22,167.

Date of construction—1872.

By whom owned—City of Concord.

Source of supply—Penacook Lake.

Mode of supply—Gravity, also pumping to reservoir for
high service and fire protection.

PUMPING.

Builders of pumping machinery—Worthington Pump and Machinery Corporation and DeLaval Steam Turbine Co.

ELECTRIC PUMPS.

1. Description of power:
 - a. Alternating, 3 phase, 60 cycles, 2,200 volts, 1,800 R. P. M.
 - b. Price per K. W. H., $\$0.01\frac{1}{3}$, 8 p. m. to 6 a. m.; maximum, \$1,800 per year, 300,000,000 gallons; \$6.00 per 1,000,000 gallons, over 300,000,000.
2. K. W. H. used for year, 170,380.
3. Total pumpage, by Venturi meter, 339,515,000 gallons.
4. Average static head against which pump works, 90 feet.
5. Average dynamic head against which pump works, 115.2 feet.
6. Gallons pumped per K. W. H., 1,992.7.
7. K. W. H. used per 1,000,000 gallons pumped, 501.5.
8. Efficiency electric units.

$$\frac{339,515,000 \text{ (gallons pumped)} \times 8.34 \text{ (lbs.)} \times 115.2 \text{ (dynamic head)}}{170,380 \text{ (K. W. H.)} \times 33,000 \times 60 \times 1.34} = 72.5\%$$
9. Cost of total pumping figured on pumping station expenses—\$4,081.62.
10. Per million gallons pumped—\$12.021.
11. Per million gallons raised one foot (dynamic)—\$0.104.

DISTRIBUTION.

MAINS.

1. Kind of pipe—cast iron and cement-lined.
2. Sizes—from two-inch to twenty-four-inch.
3. Extended—7,270 feet during year.
4. Relaid—756 feet during year.
5. Discontinued—1,308 feet during year.
6. Total now in use—75.13 miles.
7. Number of leaks per mile for year—
8. Length of pipes two inches and less diameter—4.04 miles.

9. Number of hydrants added during year—public, 6.
10. Number of hydrants now in use—public, 488, private, 96.
11. Number of stop gates added during year—17.
12. Number of stop gates now in use—1,110.
13. Number of stop gates smaller than four-inch—
14. Number of blow-off gates—81.
15. Range of pressure on mains at center of city—88 pounds high service and 48 pounds low service.

SERVICES.

16. Kind of pipe—cement-lined.
17. Sizes—three-fourths-inch to ten-inch.
18. Extended—2,138 feet.
19. Discontinued—435 feet.
20. Total now in use—98,955 feet.
21. Number of service taps added during year—68.
22. Number now in use—4,160.
23. Average length of service—23.78.
24. Average cost of service for the year—
25. Number of meters added during year—97.
26. Number now in use—3,027.
27. Percentage of services metered—72.76.
28. Percentage of receipts from metered water—88.62.
29. Number of elevators added—none.
30. Number now in use—9.
31. Number of standpipes for street watering—44.

FINANCIAL.

O. Net cost of works to date, \$1,186,806.74.
 P. Bonded debt at date, \$216,000.
 Q. Average rate of interest, 4.50 per cent.
 R. Value of investment of net income, \$27,200.94.

FIRE DEPARTMENT.

REPORT OF THE CHIEF ENGINEER.

To the Board of Aldermen:

In accordance with the requirements of the city ordinance, I herewith submit for your consideration the report of the Fire Department for the year 1925.

The department responded to 46 bell alarms and 319 still alarms.

ALARMS.

	Bell.	Still.	Total.
Precinct,	19	227	246
Penacook,	9	75	84
East Concord,	15	3	18
West Concord,	3	14	17
	—	—	—
	46	319	365

This report will be found to contain statements in detail embracing the amount of expenditures, and a complete roll of the department with residence and occupation of each member.

While the number of alarms responded to did not equal the total of the previous year, the loss was slightly larger.

Three fires account for \$85,444 of the aggregate loss, namely, January 18, Concord Furniture Co., \$39,110; May 22, Rolfe factory, Penacook, \$27,334; and the N. E. Baking Co., Plains, October 24, \$19,000.

The apparatus is in good condition.

The forward tires on four combination cars were renewed, and four unsatisfactory siren horns gave way to new and more powerful ones.

The steam fire engines were overhauled, tested and placed in first-class condition.

One stall was added to the annex garage.

All needed repairs on the precinct and Penacook fire alarm systems were attended to. The precinct battery was renewed with cells and elements of the latest type.

Eighteen hundred feet of hose was purchased, but as a considerable amount was condemned at the annual test and turned over to the other departments and some lost at fires, the complement diminished, rather than increased during the year.

I respectfully recommend the purchase of two thousand feet of hose during the coming year.

During the month of September I was privileged to attend the convention of the International Association of Fire Engineers held at Louisville, Ky., a report of which I rendered at that time.

I wish again to thank your honorable body for the opportunity afforded me to learn.

Respectfully submitted,

W. C. GREEN,
Chief Engineer.

APPARATUS AND FORCE.

The apparatus and force of the department is as follows:

Precinct, located at the Central Fire Station, one first-class Amoskeag engine, "Eagle," and one 750-gallon Ahrens-Fox motor-driven combination pumping engine and hose car, attached to Eagle Steam Fire Engine Company (15 men); one second-class Amoskeag engine, "Kearsarge," and auto-combination car, attached to the Kearsarge Steam Fire Engine Company (13 men); one second-class Amoskeag engine, "Governor Hill," relief engine, in charge of an engineer and fireman, one auto-combination car in charge of four permanent men; one motor-driven ladder truck, "City of Concord," attached to Hook and Ladder Company (21 men); one Reo fire alarm repair truck; one house man at Central Fire Station. There are twelve permanent men at the Central Fire Station, one permanent man at each other fire station within the precinct, one permanent man at Pioneer Station, Penacook, and one permanent man at Cataract Station, West Concord.

The Alert Hose Company (11 men), located on Washington Street, has an auto-combination car, with permanent man.

The Good Will Hose Company (11 men), located on the corner of Concord and South State Streets, has an auto-combination car, with permanent man.

Veterans' Auxiliary Company (30 men).

One hand engine and three wagons and one ladder truck in reserve.

The "Pioneer" Engine Company, No. 3 (28 men), at Penacook, has a third-class Metropolitan engine, with two hose wagons and one auto-combination car with permanent man.

The Cataract Company (30 men), at West Concord, has a modern hose wagon and auto-combination car with permanent man.

Old Fort (30 men), East Concord, has a 4 1-2-inch cylinder Hunneman hand engine and hand ladder truck, and one hand-drawn chemical engine, 50-gallon, single tank, and one auto-combination car.
