WINTER CARNIVAL
WHITE PARK
Saturday, January 21
1:00 - 4:00 p.m.

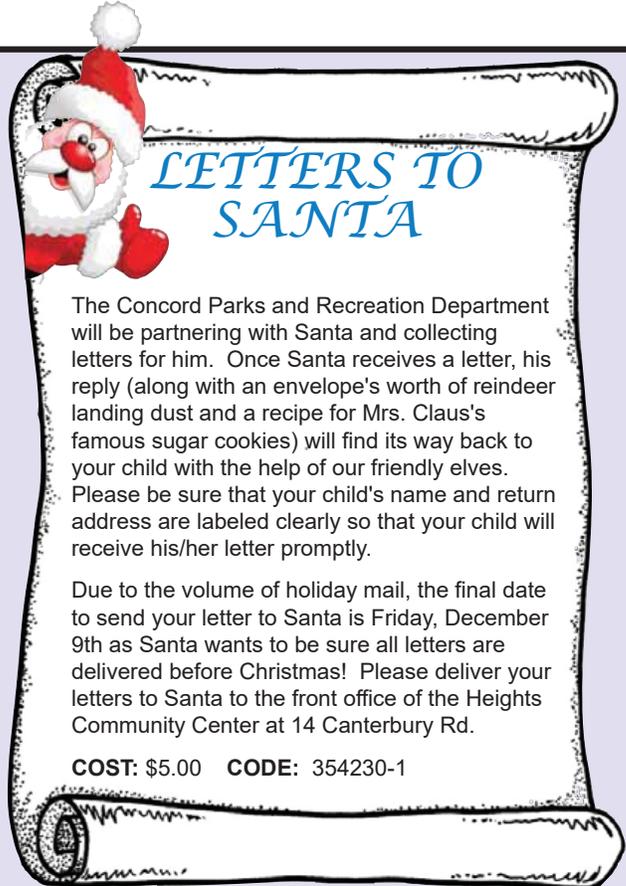

Inclement weather date is February 4

This is a fun community event that the whole family will enjoy. Plan ahead and make a sign or banner that represents your family to carry while you march in the inter-generational parade as part of the opening ceremonies. Try competing in speed skating and sledding contests. Warm up by the bonfire while eating a tasty treat.

For more information on the Carnival visit our website in early January at www.concordparksandrec.com.

Sponsored by the Concord Parks and Recreation Department and Friends of White Park.

The Concord Parks and Recreation Department will be partnering with Santa and collecting letters for him. Once Santa receives a letter, his reply (along with an envelope's worth of reindeer landing dust and a recipe for Mrs. Claus's famous sugar cookies) will find its way back to your child with the help of our friendly elves. Please be sure that your child's name and return address are labeled clearly so that your child will receive his/her letter promptly.

Due to the volume of holiday mail, the final date to send your letter to Santa is Friday, December 9th as Santa wants to be sure all letters are delivered before Christmas! Please deliver your letters to Santa to the front office of the Heights Community Center at 14 Canterbury Rd.

COST: \$5.00 **CODE:** 354230-1

BLOSSOM HILL CEMETERY invites you to...

ADOPT A GRAVE

COMMON GROUND SECTION

The Common Ground at Blossom Hill Cemetery appears to have been a burial ground for the poor or those without family.

There are 686 burials in this section consisting of 208 adults and 476 infants. The first burial took place on February 25, 1896 and continued through to the 1950's. The majority of the graves remain unmarked.

The City of Concord along with Star Granite Company is offering the public an opportunity to be a part of this Collaborative Community Project. For a \$100, donation a grave marker will be crafted and set in, memorializing a Concord resident forever.

This is your opportunity to participate in memorializing lives lived and lost in Concord so many years ago. For more information contact: Jill McDaniel - Cemetery Administrator 603-225-3911

ADOPT A SPOT

Adopt a Spot provides a unique opportunity for the business community and individual volunteers to play an active role beautifying the City of Concord through the adoption and sponsoring of a site. There are multiple spots up for adoption throughout the city.

With a minimal commitment of periodic litter pick up, mowing, trimming, weeding and planting at your site, you can greatly contribute to keeping Concord a beautiful place to live and work. Recognition of your site adoption will be a sign posted at your site.

To join our efforts in making Concord a cleaner, greener city, you can contact the Parks and Recreation Department at 225-8690 and ask for Chris Jacques or visit our website at www.concordparksandrec.com.

NEW COMMUNITY CENTER

On April 11, 2016, the City Council appropriated \$7.1 million for the design and construction of a new citywide multi-generational community center at the site of the former Dame School located at 14 Canterbury Road (adjoining Keach Park). The new 30,000 square foot facility will feature the following amenities:

- 3 multi-purpose programming rooms, one of which will be used for part-time public library services;
- 2 rooms for exercise and aerobics;
- dedicated space for senior citizen programming;
- a large multipurpose room featuring a stage and catering kitchen for functions and performances;
- an 8,000 square foot, high school size gymnasium with locker rooms; and
- offices for the Parks and Recreation Department.

Approximately 18,750 square feet of the existing former school building will be incorporated into the project. The balance of the facility will be new construction. The design and permitting process for the project is currently underway and construction should begin spring of 2017 with the new facility opening in 2018.

This new facility will complement the recreation facilities already existing at Keach Park which include outdoor pool, lighted tennis and basketball courts, little league and softball fields and in the fall, three youth soccer fields.

Pickleball catching on

Pickleball is much like tennis but with a few modifications; such as a smaller court and the use of solid wood or composite paddles to hit a plastic ball over a net.

How to play:

1. The ball is served underhanded, diagonally to the opposing side. Points are scored by the serving side only.
2. Players must follow the double bounce rule - after the ball is served, the receiving team must let it bounce before returning, and then the serving team must let it bounce before returning.
3. The first side scoring 11 points and leading by at least two points wins.
