ADDENDUM NUMBER TWO

B14-11

TRAFFIC SIGNAL CONSTRUCTION

CLINTON STREET AT LANGLEY PARKWAY, CONCORD, NH

TO ALL FIRMS OF RECORD: This addendum forms a part of and modifies the bidding and contract documents and technical specifications for the project named above. The following changes, additions and clarifications are made to the original Contract Documents:

1. **Question:** On page 63 on the ninth (9th) line from the top of the page speaks to a “double mast arm signal pole” but the plans only show a single mast arm pole. Is the City requesting the pole to be a double with only one mast arm or was this a “typo”?

Answer: The double mast arm on page 63 line 9 is a typo. The word double should be deleted.

2. **Question:** A vendor has asked if this project has any “ARRA” requirements. I was unable to find information speaking to “ARRA” funding but wanted to make sure that this was not an “ARRA” project in order to obtain the correct material and pricing.

Answer: This is not an ARRA project, it is being funded by the City.

PLEASE BE ADVISED THAT THE CONTRACTOR MUST ACKNOWLEDGE RECEIPT OF ADDENDUM ONE AND TWO ON THE BID SHEET SIGNATURE PAGE (PAGE 27).
