### ADDENDUM NUMBER SIX

B35-12

### OLD SUNCOOK ROAD INTERIM COVER PROJECT

**TO ALL FIRMS OF RECORD:** This addendum forms a part of and modifies the bidding and contract documents and technical specifications for the project named above. The following changes, additions and clarifications are made to the original Contract Documents:

- 1. Question:** Does the existing ground that will receive the 12" of cover need to be smoothed up (graded) at all before applying the 12" of cover ? I ask because the existing ground is quite irregular and rolling here and there.

**Answer:** Site grading is not required, as it would unnecessarily disturb additional waste materials.

PLEASE BE ADVISED THAT THE CONTRACTOR MUST ACKNOWLEDGE RECEIPT OF ADDENDUM ONE, TWO, THREE, FOUR, FIVE AND SIX ON THE SIGNATURE PAGE OF THE BID FORM (PAGE 28).
