ADDENDUM NUMBER TWO  
RFP18-10  
SLUDGE CONVEYOR SYSTEM UPGRADE PROJECT

TO ALL FIRMS OF RECORD: This addendum forms a part of and modifies the proposal and contract documents and technical specifications for the project named above. The following additions, changes and clarifications are made to the original proposal documents:

1. **Question:** The term "Project Manager" and "General Contractor" are both using in the bid package. Are we required to be the General Contractor or are we considered the Project Manager? The reason for the question is that certain licensing is required depending on which role we're acting in.

**Answer:** The General Contractor/Design-Build Contractor is the party that will sign the contract with the City. The Project Manager is the person on the Design-Build Contractor's team who will serve as the primary point of contact between the City and the Design-Build Contractor.

PLEASE BE ADVISED THAT EACH CONTRACTOR MUST ACKNOWLEDGE RECEIPT OF ADDENDUM ONE AND TWO AS PART OF THEIR PROPOSAL SUBMISSION.
