I. GENERAL TERMS AND CONDITIONS

PREPARATION OF PROPOSALS:

Proposals shall be submitted on the forms provided and must be signed by the Proposer or the Proposer's authorized representative. The person signing the proposal shall initial any corrections to entries made on the proposal forms.

Proposers must quote on all requested services unless specific directions in the advertisement, on the proposal form or in the special provisions allow for partial proposals. Failure to quote on all services may disqualify the proposal. When proposals on all services are not required, Proposers shall insert the words "no proposal" where appropriate.

Alternative proposals will be considered, unless otherwise stated, only if the alternate is: (1) Described completely, including, but not limited to specifications sufficient so that a comparison to the request can be made; and (2) Submitted as part of the base proposal response, i.e. it shall not be a separate document which could be construed as a second proposal.

Unless otherwise stated in the Request for Proposal (RFP), the Proposer agrees that the proposal shall be deemed open for acceptance for **ninety (90) calendar days** subsequent to submittal to the City of Concord.

Any questions or inquiries must be submitted in writing, and must be received by the Purchasing Agent no later than **seven (7) calendar days** before the Request for Proposals due date to be considered. Any changes to the Request for Proposals will be provided to all Proposers of record.

The Proposer shall not divulge, discuss or compare this proposal with the proposal of any other Proposers and shall not collude with any other Proposer or parties to a proposal whatever. (Note: No premiums, rebates or gratuities permitted either with, prior to, or after any delivery of services is allowed. Any such violation will result in the rejection of the offender's proposal or termination of the offender's contract, as applicable, and removal from the Proposal List).

The vendor may be required to supply proof of compliance with proposal specifications. All costs for such proof or certificates of compliance shall be the responsibility of the vendor.

Unless otherwise stated, all prices are F.O.B.: Destination. No charge for packing or drayage will be allowed. All deliveries are to be pre-paid, C.O.D.'s will not be accepted. Each shipment shall be identified by Purchase Order and/or RFP number, commodity description and packing list. All items, packages, etc. shall have clearly identifiable external markings or tags for ease of identification.

SUBMISSION OF PROPOSALS:

Proposals must be submitted as directed in the Request for Proposals, and on the forms provided unless otherwise specified. Proposals must be typewritten or printed in ink. Proposals must be mailed or delivered in person. Proposals that are faxed or e-mailed will not be accepted.

WITHDRAWAL OF PROPOSALS:

Proposals may be withdrawn prior to the opening date and time upon written, faxed, e-mailed or telegraphic request of the Proposer to the Purchasing Agent. Negligence on the part of the Proposer in preparing this proposal shall not constitute a right to withdraw a proposal subsequent to the proposal opening. Proposals may not be withdrawn for a period of sixty (60) days after the date of opening indicated herein or as modified by addenda.

PROPOSERS INTERESTED IN MORE THAN ONE PROPOSAL:

If more than one proposal is offered by any one party, or by any person or persons representing a party, all such proposals shall be rejected. A party who has quoted prices to a Proposer is not thereby disqualified from quoting prices to other Proposers or from submitting a direct proposal in its own behalf.

RECEIPT AND OPENING OF PROPOSALS:

Proposals shall be submitted prior to the time fixed in the Request for Proposals. Proposals received after the time so indicated shall be returned unopened.

PROPOSAL RESULTS:

All proposals and fee proposals received shall be considered confidential and not available for public review until after a vendor has been selected. All proposals shall be subject to negotiations prior to the award of a contract.

NO TELEPHONE REQUESTS FOR RESULTS WILL BE ACCEPTED OR GIVEN.

TIE PROPOSALS:

When identical Proposals are received, with respect to cost, service delivery, quality of service and an institution's financial adequacy award may be made by a toss of coin, with the following exception: When a tie proposal exists between a local (a business establishment within City limits) Proposer and an out-of-town Proposer, preference will be given to the local Proposer. Any Proposer having a local agent who is a bona fide resident of the City is considered a local Proposer. If a tie proposal exists between two local Proposers, or two out-of-town Proposers, the decision may be made by a toss of coin.

LIMITATIONS:

This Request for Proposal (RFP) does not commit the City to award a contract, to pay any costs incurred in the preparation of a response to this request, or to procure or contract for services or supplies. The City reserves the right to accept or reject any or all proposals received as a result of this request, or to cancel in part or in its entirety this RFP, if it is in the best interest of the City to do so.

PROPOSAL EVALUATION:

In an attempt to determine if a proposer is responsible, the City, at its discretion, may obtain technical support from outside sources. Each proposer will agree to fully cooperate with the personnel of such organizations.

AWARD OF CONTRACT:

- Have the necessary experience, organization, technical and professional qualifications, skills and facilities;
- Be able to comply with the proposed or required time of completion or performance schedule;
- Have a demonstrated satisfactory record of performance; and
- Adhere to the specifications of this proposal and provide all documentation required of this proposal

The contract will be awarded to a responsive and responsible Proposer based on the qualifications, experience and work plan of the Proposer, the Proposer's ability to provide ongoing technical support, the Proposer's timeframe for providing the requested service and the Proposer's fee/price proposal. **See the proposal evaluation sheet for more detail concerning how each proposal shall be evaluated.** The Proposer selected will be the most qualified and not necessarily the Proposer with the lowest price.

The City of Concord reserves the right to waive any formality, informality, information and/or errors in the proposals submitted and the right to reject any or all proposals at its discretion and to accept the proposal which will be in the best interest of the City; or to purchase on the open market if it is considered in the best interest of the City to do so. In case of error in the extension of prices, the unit prices proposed shall govern and the unit prices in writing shall take precedence over the unit prices in figures. Also, in the event of a discrepancy between the total of the items and the lump sum total stated, the total of the items shall govern.

MODIFICATIONS AFTER AWARD:

The City reserves the right to incorporate minor modifications, which may be required by it. The Vendor will incorporate these changes at no additional cost, but may protest such action and not be bound by any such request of it can prove that the timing or extent of the modifications implies a major effort on its part.

F. CHANGES IN ENROLLMENT/COVERED PAYROLL

1. To minimize its related administrative effort, the City prefers that an employee's base weekly wage on each July 1 be used for the calculation of premium even though an employee's wage may change during the policy year; and that benefits paid be based on the employee's actual base weekly wage at the time of loss.
2. New employees will be added during the year at current base salary.
3. No notification of salary changes will be made to the insurer during the year. Proposing companies can expect that wages will increase approximately 5% by the end of each annual policy period.
4. Updated salary information will be made available prior to the beginning of each year. However, the insurer will pay benefits based upon current earnings information for any covered employee.

G. COVERED EMPLOYEES/CENSUS

1. The enclosed employee census listing is available in electronic format on request.

H. WITHHOLDING

1. **State Retirement** (Group 2 is fire & police employees, Group 1 is all others)

Group 1: Deduct 5% of pay
Group 2: Deduct 9.3% of pay

Monthly, the insurer cuts a check to the City, along with a listing of who the funds are for. City pays the retirement system. Timing needs to be coordinated with existing payment cycle.

2. **Federal Withholding for Income Tax**

Group 1:

Income for withholding is reduced by amount of state retirement deduction.

Group 2:

Fire: Income for withholding is reduced by amount of state retirement deduction.

Police: Income for withholding includes state retirement amounts.

The insurer is to withhold federal income tax amounts and submit them directly to the IRS. The insurer will issue a Form W2 reflecting these amounts. Note that in most cases the W2 income for withholding purposes is *different* from the W2 income for FICA (see below).

3. **Social Security**

Group 1:

Withhold normal social security deductions on income including state retirement amounts.

Group 2:

No social security deductions - these employees do not participate.

The insurer is to withhold social security amounts on Group 1 employees and submit them directly to the IRS. The insurer will issue a Form W2 reflecting these amounts. Note that in most cases, the W2 income for social security is *different* from W2 income for income tax purposes (see above). This means that two income figures must be reported on Form W2.

4. **Medicare**

Group 1: Withhold normal Medicare deductions on income including state retirement amounts.

Group 2:

Hired Post-1986: Withhold normal Medicare deductions on income including state retirement amounts.

Hired Pre-1986: No Medicare deductions - these employees do not participate.

The insurer is to withhold Medicare amounts for participating employees and submit them directly to the IRS. The insurer will issue a Form W2 reflecting these amounts. Note that in most cases, the W2 income for Medicare is *different* from W2 income for income tax purposes (see above). This means that two income figures must be reported on form W2.
